JazzFest Volunteer Opportunities

Hello Everyone!

We are approaching that time of year again – JazzFest!

We've got a great line-up of musicians this year and we are excited for what is shaping up to be another amazing festival.

The success of JazzFest wouldn't be possible without our loyal volunteers. Whether you have volunteered in the past, or if this is your first year, we are looking forward to having you on board for 2018.

The event runs from June 17th-24th this year with various shows around the city.

With the schedule finalized, we have many volunteer positions to fill throughout the week.

As a JazzFest volunteer, you will be scheduled for shifts and duties that work for both you, the volunteer, and the needs of JazzFest. In return, you will receive a groovy volunteer T-shirt, (if you don't have one already), an invitation to the Festival Wind-Up Party, and an opportunity to meet other music fans and some of the finest jazz musicians on the planet. Most importantly, you will be making an outstanding contribution to our community.

Please let me know if you are interested in being a JazzFest volunteer this year, what position(s) you would be interested in volunteering for, and what days you would be available.

We will be having a volunteer meeting on June 7th, 2018 at the Medicine Hat College Visual Communications lounge. At that time we will confirm volunteer positions as well as provide further information regarding your role.

Please open the attached volunteer application form and job description file to help you make your decision for a position(s) that interest you most.

I look forward to hearing from you!

Sincerely,

Orrie & Blaine Whitford
